# DYCOURAGE

**Find China's Full inventory of Car Alloy Wheels online from Courage wheel**

WADI SAFIN TIRES

## COMPANY PROFILE

DYCOURAGE WHEEL, founded in 2016, is an enterprise focusing on R&D, design, manufacturing and sales of aluminum alloy wheel. The company has the whole-process capacity integrated with conceptual design, development, manufacturing, sales ,and service of products. It also has the rich experience of conducting professional development and manufacturing according to the customer's sample or drawing.

Product specifications are from 8 to 32 inches,more than 1500 sets of mould design, more than 8000 kinds of product models, covering the whole series of commercial vehicles, passenger vehicles and ATV;Surface technology is includes full painting, bright surface, milling processing, color, drawing, electroplating, and so on.

DYCOURAGE can provide quick and high quality customized service according to customer's specific requirements. It will only take 30-35 days to develop a new wheel, which includes shape confirmation, mold development, mold test and production, and sample finalization.

With the goal of producing high-quality wheels, DYCOURAGE provides high cost-effective products according to market segments and different customer needs.

**追求卓越**
**为客户提供定制化车轮！**

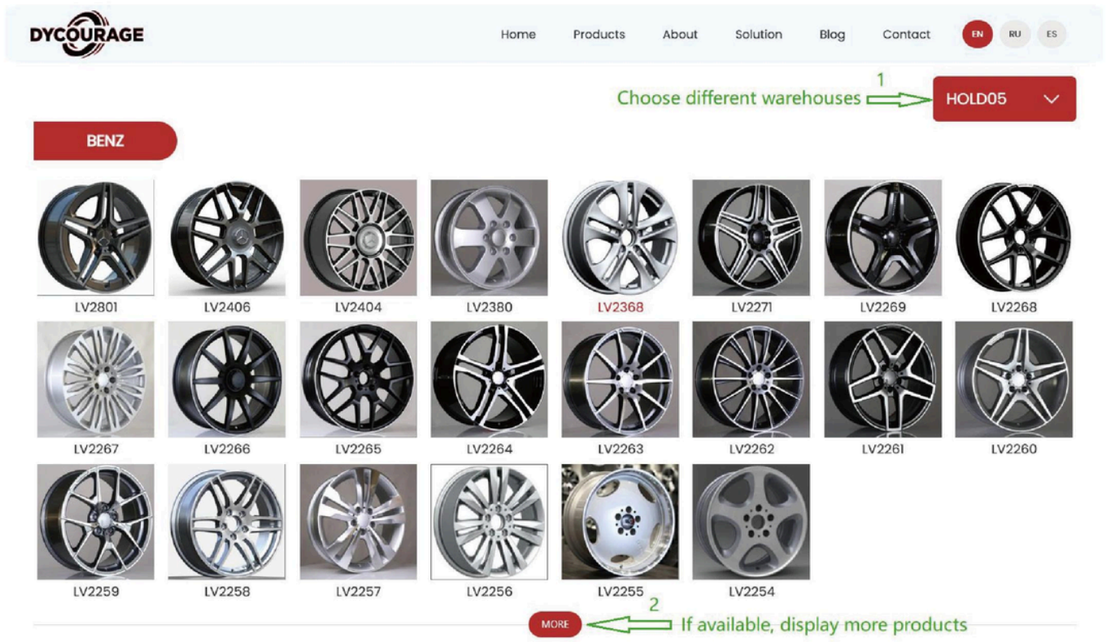

**PURSUING SUPER EXCELLENCE**
**PROVIDING CUSTOMERS WITH CUSTOMIZED WHEELS**

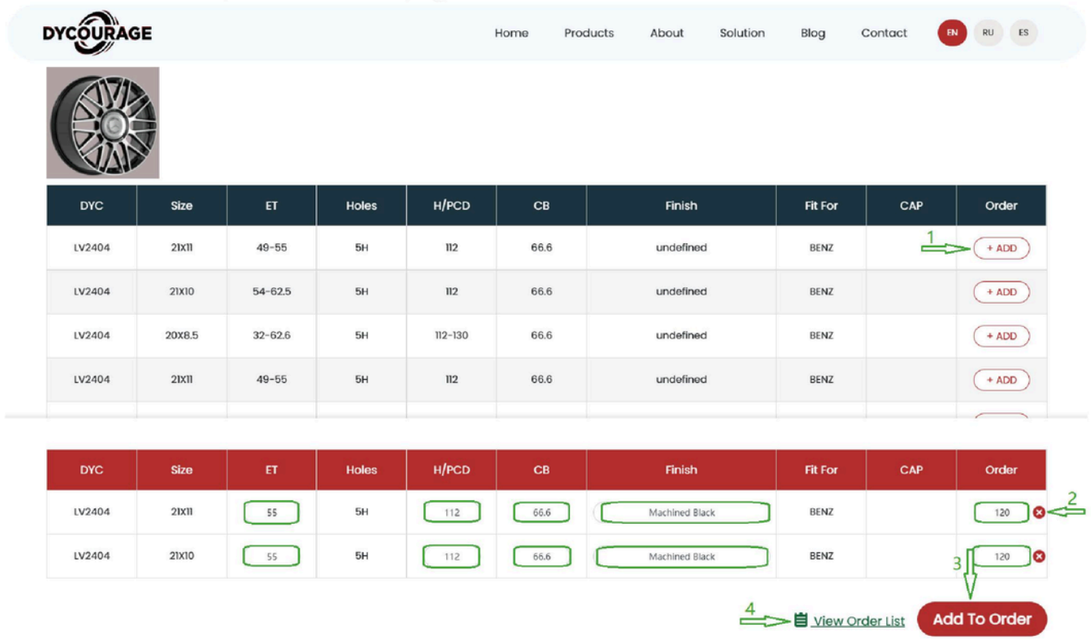

# Operation Instructions

First, enter the product details page.
URL: http://www.dycwheels.com/categroy_list.html

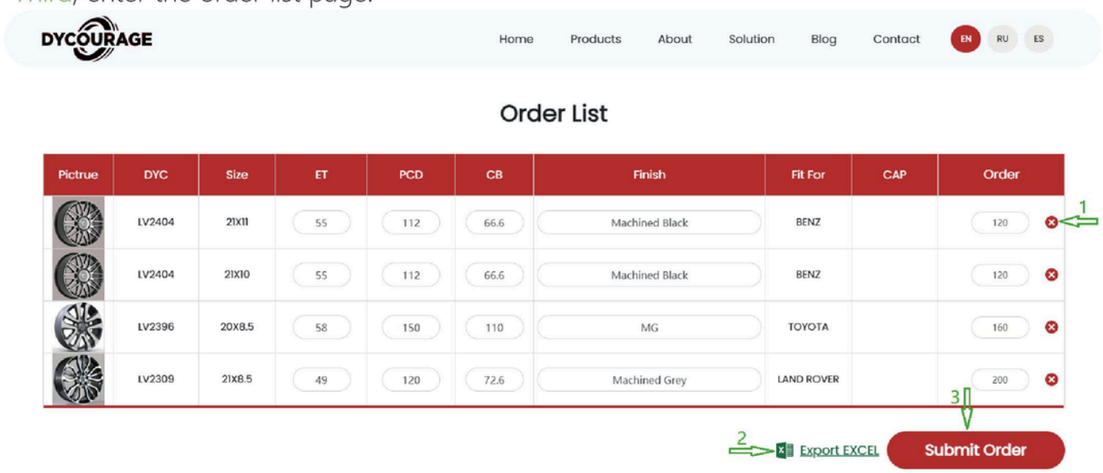

Click on arrow 1, you can choose different warehouses;
Click on arrow 2, you can display more products;
Click on any image you like, enter the product details page

Second, enter the product details page.

Click on arrow 1, add product options, and fill in the correct parameters in the green box below;
Click on arrow 2, you can delete a product;
Click on arrow 3, add to order list;
Close the product details page ,Repeat steps one and two， until you get all products you want.
Click on arrow 4, enter the order list page.

Third, enter the order list page.

Click on arrow 1, you can delete a product;
Click on arrow 2, you can export the order list to EXCEL;
Click on arrow 3, you can submit the order to the factory of DYCOURAGE Alloy Wheel.
